Global Energy For Electrical Work (GEW)

For all your enquiries to supply the Electrical components and services from the different manufacturers.

GEW is a Trading and Contracting Co. based in Qatar, committed to provide high quality products that combine performance with value pricing, efficient technical support, and services that fulfill and exceed the customer expectation. Our dedication to quality is a value incorporated into our routine activities, daily planning, design, and implementation of processes. GEW is established in partnership between the Mustafawi AlHashemi Group in Qatar and Al Nisf Group (www.alnisf.com) which was established since the year 1973 and operating actively in the region for more than 40 years, our group of companies specialized in several lines:

- **Products:** We represent world leaders in different product lines (Switchgear Panels, Earthing Systems, Lighting Fittings ...).

Sr.	Product	Brand	Country of Origin
01	LV Switchgear (MV Panel, MCC, DB, SMDB, VFD, PLC, Control Panels etc)	Schneider	Europe
02	LV Switchgear (MV Panel, MCC, DB, SMDB, VFD, PLC, Control Panels etc)	Siemens	Europe
03	Capacitor Panel	EPCOS	Europe
04	Power Meters	Enerdis	France
05	Lighting & Fixtures	RZB / NVC	Germany / China
06	Cable Lugs	Kompress / Raychem	UK / India
07	Cable Gland	CMP / Pepperl + Fuchs	UK
08	Emergency Lights	GFS	Germany
09	Earthing / Bonding & Lighting Protection	AN Wallis / Furse	UK
10	Fire Resistance Cables; GI Conduit; Cable Trays; Cable Accessories; Rupture Disk		

GLOBAL ENERGY FOR ELECTRICAL WORK

- Please note all above brands are approved by Qatar Local Authorities like (KAHRAMAA, Civil Defense & Others).
 - Project references can be provided upon request.
 - Apart of the above product list, we are also specialized in supplying spare parts for various requirement, including but not limited to Electrical, Mechanical, Industrial, Process Instrumentation, HVAC, BMS and Automation etc.
- **Solutions:**
 - 11 KV Kahramaa Substations.
 - MEP (Mechanical, Electrical, Plumbing) works.
 - Cable Works
 - Automation solutions (SCADA, RTU, Telemetry, DCS...)
 - Panel modification
 - **Services:**
 - Installation spare parts
 - Kahramaa required testing of switchgears (REF, ACB operation, Routine test...)
 - Panel modification

Al-Nisf Transformer Plant Introduction

@

Al Nisf Electrical Co. Started a transformer manufacturing plant in Amghara Kuwait. Total plant area is over 6000 m² is dedicated for production. Production area is climatically controlled to arrest dust and sand.

Our mission is to manufacture Distribution and power transformer as per MEW/MOH/MOD/KOC/KNPC/PIC/KAHRAMAA specification in line with international standard and technology and also to provide services to local utilities for transformer up gradation in terms of life enhancement of old transformers. In addition to our capability to manufacture transformers to the GCC and neighbouring countries as per their specification.

The sole purpose is to contribute to growth of this nation in self sufficiency of producing distribution and power transformers.

Al-Nisf Transformer Plant

AL NISF ELECTRICAL CO WLL

- The Al Nisf Lighting Plant facilities were started up in the year 2001
- Backed up fully by the Al Nisf corporate culture
- Having a total strength of around 60 personnel
- A group of qualified and experienced Engineers manning the key departments – Engineering Design, Estimation & Sales, Industrial Engineering, Production, Quality Assurance and After sales Servicing.
- State of the art manufacturing center backed by Modern Manufacturing equipments, Test equipments and design Engineering activities.
- An ISO 9001: 2008 Certified company confirming to Quality Management Systems as per ISO.
- A Wide product line with various custom designs that comply with IEC 60598.

ACHIEVEMENTS

- ISO 9001:2008 CERTIFIED FROM LLOYD'S REGISTER QUALITY ASSURANCE (LRQA)
- DESIGN AUTOMATION THROUGH USAGE OF DEDICATED SOFTWARE
- TYPE TESTED AT INTERNATIONAL LABS (as per requirement)

TERMS AND CONDITIONS

1. Long term warranty is limited to the ballasts only.
2. Any replacement or changes, Labour charges are applicable.
3. Returns of customized products are subject to the approval of the Plant Authority.
4. Returns of products are acceptable only upon the original bill and will not be accepted after 30 days from the date of invoice or 15% charge will be deducted from total return amount.
5. Return of damaged products and those unpacked will not be accepted.

Company Profile

Salem M. Al-Nisf Electrical Company W.L.L. (SNEC) is the major wing in AL NISF group of companies. Since it's establishment in 1973 SNEC is now one of the leading Electrical Establishments in Kuwait, with well known internationally approved and accepted suppliers of electrical materials.

SNEC comprises of four divisions

A. Commercial Division

B. Automation Division

C. Info tech Division

D. Electrical Contracting Division

Commercial Division

The Commercial division since it started, has developed its range of products and services to cater the various needs of Kuwait Market.

Now it has grown to be the best & leading electrical trading company in Kuwait, stocking and supplying the local market with superior products and reliable deliveries as per the customers requirements.

Automation Division

Al-Nisf Automation Division is established on 2007 under Salem M. Al-Nisf Electrical Company W.L.L.

We are mainly focusing to high end residential & Commercial Buildings to facilitate for the smart building and smart home solutions, with advanced technology products.

Project design
Consultant service
Supply of product
System diagnosis

Design support with Consultant,
Installation, testing, programming, commissioning,
System Integration
Maintenance

Infotech Solutions (AIS)

Al-Nisf Infotech Solutions (AIS) is a Division in Salem M. Al-Nisf Electrical Company W.L.L. was established in 2009.

We are focusing on providing Information Transport System & Other Low Voltage systems for residential & Commercial Buildings.

AIS founded to be specialized in state of art, innovative, & integrated IT solutions. As system integrator we are providing the following services :

- Project Design
- Project Management
- Turnkey Solutions
- Annual Maintenance Contracts
- Consultancy
